

## Offer Information about what Agents will be doing

This document is solely for Candidates and Agents

There are no fees for these Projects meaning Agents do not pay a fee

Agents will be making outbound calls to Businesses or Consumers all around the USA

Agents will be given several projects to work on servicing our clients

Agents will be trained for various project assignments

These Assignments will run short time or extended but work will never run out

Agents will be taken off of one assignment to start a much mandatory assignment with training

If you are not comfortable dialing numbers and talking on the phone please don't apply

If you only looking for just a hourly job this is not it

Agents are paid commission plus bonuses, cash rewards and can turn in hourly for the right Agent who follows company policies

Agents can end their contract at any time if they chose to do so. Any bonuses will not be paid just your last Paycheck

Cash rewards are cash deposited to your account given by the work ethic you produce and how long you been with the company is evaluated.

Vacation is paid once Agents are here for 1 year

Agents will receive Holiday bonuses when their 1 year is reached

Agents will be paid in small up to big portions do to their production

Agents will receive 1099 form at the end of the year when reached \$600 in revenue

**By accepting this Letter you agree to the Offer and what you will be doing with WAHPBC**
